Welcome to Hawai‘i
The natural beauty of Hawai‘i and the multi-cultural society of the island of Oahu provide a perfect place for both education and recreation.

The University of Hawai‘i at Mānoa (UHM)
www.manoa.hawaii.edu
UHM is the flagship campus of the state’s ten-campus university system. It is located in beautiful Mānoa Valley just minutes from downtown Honolulu and the beaches of Waikiki.

Outreach College
www.outreach.hawaii.edu
Outreach College, the continuing education division of UHM, supports the university and community with unique and high quality educational opportunities, including credit and non-credit courses, community programs, distance education, and programs for international participants.

INTERNATIONAL PROGRMs

The International Programs department of Outreach College has provided specialized programs for international groups of students and visitors for over 40 years. Our staff works with schools, universities and other organizations to design special programs that meet the needs and expectations of the participants and group sponsor.

CUSTOM-DESIGNED
Special English Programs (SEP)

Our Custom-Designed Programs office provides training in English as a second language for a variety of local and international institutions, including high schools, colleges, universities, government agencies, businesses, and so on. Each program is designed to suit the needs, schedules, requirements, and interests of the sponsoring organization.

SEP Program Features
- Welcome reception, orientation, campus tour
- Small classes
- Highly qualified instructors
- Conversation sessions with UHM students through “Interchange”
- Off-campus excursions
- Access to UHM facilities
- Certificates issued at the end of the program

Example Programs
- English and American culture
- Academic English
- English for daily life and employment in the U.S.
- Advanced English fluency
- Technical writing

Note: Group sponsors may also wish to consider placing students into one of our New Intensive Courses in English (NICE) programs. See NICE brochure or our website for more information.
