ASSUMPTION OF RISK AND RELEASE
(For field trips and other off campus activities)

The personal safety of our students is a major concern for the N.I.C.E. Program administration, faculty, and staff. Activities that could threaten the personal safety of our students are avoided and not endorsed by the program. However, each session students are required to participate in activities within the Honolulu community that are related to classroom work.

The Assumption of Risk and Release form releases the University and its employees from responsibility in the event damage to personal property, personal injury, or death which may result from a student’s participation in N.I.C.E. Program activities, including transportation to and from the activities.

For minors (students under 18), we require an adult guardian or sponsor to sign this form. Please read this form carefully before signing. Thank you.

Program, do hereby agree to assume all the risks and responsibilities surrounding his/her participation in that program or activities undertaken as an adjunct thereto; and, further, I do for myself, my heirs, executors, and administrators hereby defend, hold harmless, indemnity, and release, and forever discharge the University, and all of its offices, agents, and employees from and against any and all claims, demands, and actions, or cause of action, on account of damage to personal property, or personal injury, or death which may result from this student’s participation, and which result from causes beyond the control of, and without the fault or negligence of the University, its officers, agents or employees, during the period of participation as aforesaid.
